

Hands off my xm radio. Its the best thing to happen to the trucking industry in a long time. I can be in Petersburg Va. at dinnertime and get the Washington D.C. traffic report and find out the W Wilson bridge is scheduled to open at 10 P.m.I can then adjust my driving time or route that I take, thereby saving me time and aggravation. In short XM RADIO is a Godsend! Don.t let the mental midgets of N.A.B. mess it up
